

"Computer for College" award sponsored by Wickenburg Computers Inc.

The "Computer for College" award is a personal computer awarded to a graduating senior of the 2010 class at Wickenburg High School.

Selection of a recipient will be made by the award sponsor or its designate. Selection will be based on a student's potential for success in college, citizenship, and any other criteria considered appropriate by the sponsor.

One recipient and one alternate will be selected from completed applications. If the recipient fails to enroll in a post-secondary institution, the scholarship may be awarded to the alternate.

Please complete the following:

1. Full name and address: _____

 2. List the occupational choices you are now considering in order of current preference:

 3. Name the colleges and or other post-secondary institutions to which you have applied in order of current preference:

 4. In what fields of study are you particularly interested and why? _____

 5. What is your degree and/or certificate objective? _____

 6. What is your cumulative GPA (4.0 scale) since the beginning of 9th grade?

-
7. What is your GPA (4.0 scale) in area of study? _____
 8. All applicants should attach a resume to this application.
 9. Write and attach an essay describing why you believe you have earned this award and how a personal computer would aid you in attaining future goals.
