

JULIAN ORONA SCHOLARSHIP

This scholarship is awarded to student/athletes who wish to continue their education at the college or university of their choice. The award is presented to the person who most exemplifies the standards of leadership, athletically and academically adhered to by Julian Orona, teacher and coach. He believed that leadership involved self-discipline and inspiration to your peers. Leaders understand that they are role models and do what is necessary to become an upstanding example on and off the athletic field. They are not concerned only with their own accomplishments but take time to encourage and assist their teammates and classmates. Leaders are those few special individuals whose infectious work ethic and attitude makes everyone around them better athletes, better students and ultimately better people.
